With Labor Day behind us, and preparations for fall underway, I'd like to take this opportunity to remind you that voting in the 2009 LASERS Board of Trustees Election will soon begin. Election packets, including information about the voting process and candidates, will be mailed to all LASERS members beginning Friday, September 25, 2009. Voting will begin that day, and end at 4:30 p.m., CDT, on October 23, 2009. Below is pertinent information that you will need to inform your employees of the election process.

Voting will take place via the Internet, by telephone, or by mail. **We ask you to encourage all those voting by mail to make sure they cast their ballot and mail it in time for it to be received by the October 23 deadline. Ballots received after 4:30 p.m. on this day will not be counted.**

In the coming weeks, we will provide you with more details about the voting process including a number for those who wish to vote by telephone, and instructions for those who wish to vote using the Internet. All members will also be provided with a unique voter Personal Identification Number (PIN) to assure the security of the process.
